P. O. Address.

Mr. Robert Jones and Hugh Shannon
in the County of Hastings of the United Township of Marmora & Lake

I of the of
in the County of Hastings.

Make oath and say :

1. That we have, according to the best of our information and belief set down in the above assessment roll all the real property liable to taxation situate in the municipality of the Township of Marmora & Lake and we have justly and truly assessed each of the parcels of real property so set down at its actual cash value as it would be appraised in payment of a just debt from a solvent debtor and as prescribed by law ; except ground bona fide enclosed and used as a paddock, park, lawn, garden or pleasure ground, which we have assessed at a valuation which at six per centum would yield a sum equal to its annual rental for the purposes for which it is used. Except vacant ground and ground used as a farm, garden or nursery, and not in immediate

demand for building purposes, which we have assessed according to the value prescribed by law.

2. That the said assessment roll contains a true statement of the aggregate amount of the personal property, or the taxable income, of every party named on the said roll and that we have estimated and set down the same according to the best of my information and belief.

3. That we have entered thereon the names of all the resident householders, tenants and freeholders, and of all other persons who have required their names to be entered thereon, with the true amount of property occupied or owned, or of income received by each, and that we have not entered the name of any person whom we do not truly believe to be a householder, tenant or freeholder, or the bona fide occupier or owner of the property, or in receipt of the income set down opposite his name, for his own use and benefit or otherwise to be entitled by law to be so entered.

4. That according to the best of our knowledge and belief, we have entered therein the name of every person entitled to be entered either under this ACT or THE MANHOOD SUFFRAGE ACT, or any Act amending either of the said Acts, and that we have not intentionally omitted from said roll the name of any person whom we knew or had good reason to believe, was or is entitled to be entered thereon under any or either of the said Acts ; and we further say that the date of delivery or transmitting the notice required by section 47 of this Act is in every case truly and correctly stated in said roll.

5. And we further say that we have not entered the name of any person at too low a rate in order to deprive such persons of a vote, or at too high a rate in order to give such persons a vote ; and that the amount for which each such person is assessed upon the said roll truly and correctly appears in the said notice delivered and transmitted to him as aforesaid.

6. we further say, that we have not entered any name in the above roll, or improperly placed any letter or letters in column 4, opposite any name, with intent to give to any person not entitled to vote a right of voting ; and that we have not intentionally omitted from the said roll the name of any person whom we believe entitled to be placed thereon, nor have we in order to deprive any person of a right of voting, omitted from column 4 opposite the name of such person, any letter or letters which we ought to have placed there.
